# B. ADDITIONAL INFORMATION REQUIRED BY THE BURSA MALAYSIA SECURITIES BERHAD ACE MARKET LISTING REQUIREMENTS

#### B1. Review of Performance

The Group registered revenue of RM18.2 million and profit before tax of RM1.1 million in current quarter as compared to revenue and profit before tax of RM10.9 million and RM0.5 million respectively in the preceding year's corresponding quarter. The increase of revenue in current quarter was mainly due to increase in supply of industrial materials.

Performance of the respective operating business segments in the current quarter compared to the preceding year's corresponding quarter is as follows:-

- a) Manufacturing The increase in revenue by 7% in current quarter was mainly due to increase in customer order for cables and accessories.
- b) Trading and Engineering Services The increase in revenue by 476% in current quarter was due to increase in supply of industrial materials.
- c) Other Operations The decrease in revenue by 76% in current quarter was due to lower dividend received.

#### B2. Variation of results against the immediate preceding quarter

The Group's revenue decreased to RM18.2 million in current quarter as compared to the immediate preceding quarter of RM18.8 million. The Group registered a profit before tax of RM1.1 million in the current quarter as compared to profit before tax of RM0.3 million in the immediate preceding quarter. The slight decrease of revenue in current quarter were mainly due to decrease in supply of industrial materials.

Performance of the respective operating business segments in the current quarter compared to the immediate preceding quarter is as follows:-

- Manufacturing The increase in revenue by 17% in current quarter was mainly due to increase in customer order for cables and accessories.
- b) Trading and Engineering Services The decrease in revenue by 36% in current quarter was due to decrease in supply of industrial materials.
- c) Other Operations The revenue contirbution in current quarter was consistent with immediate preceding quarter.

## B3. Prospects

The general business outlook remains challenging for the fiber optics cable industry in Malaysia. However, the Board is of the opinion that the second phase of High Speed Broadband (HSBB) announced by the Malaysian government in year 2014 will contribute to stable sales and shipment of fiber optic cables. The Board is optimistic of the Group's performance in the remaining quarters in current financial year.

#### B4. Profit forecast and profit guarantee

The Group has not issued any profit forecast and profit guarantee in any public document.
